## FYSA Clearances

For GCF and BYSL: Background Check, SafeSport, CDC HeadsUp Course

---

### Part One – Background Check

[Click for GotSport instructions with screen samples.](#)

1. Login at [system.gotsport.com](https://system.gotsport.com). Click on Dashboard.
2. Go to your **Dashboard**.
3. Your **Requirements** are displayed.
4. Next to **Background Check** click **Details**.
5. Click **Submit New Report**.
6. Fill the Required information, sign your name and click **Submit**.

### Part Two – SafeSport Course or Refresher

If you previously completed a SafeSport course you will want to link that course so that you only need to complete the Refresher.

**SafeSport Cycle:** Core -> Refresher 1, Refresher 2 -> Refresher 3 -> Core

[Click for GotSport instructions with screen samples.](#) (disregard US Club information)

1. Login at [system.gotsport.com](https://system.gotsport.com). Click on Dashboard.
2. Next to **SafeSport** click **Details**.
3. **READ THE INSTRUCTIONS!**  
There is information to link your previous course. See *INSTRUCTIONS - APPLY SAFESPORT COURSE COMPLETION TO YOUR GOTSPORT ACCOUNT VIA THIS PAGE*.  
If you completed SafeSport previously, use either Check Records, entering your certificate number, or uploading the certificate.
4. When ready, click **Start Course**. You must start from this button to be taken to the proper US Soccer course.
5. Either **Sign Up** (if this is your first time) or click **Login in the top right** and login to your existing account. Click **Forgot Password** if you do not have it.
6. Once logged in, take the latest Refresher or full Core course.
7. **IMPORTANT** - Download a PDF of the certificate at the end.

### Part Three – CDC Heads Up Concussion Course

[Click for GotSport instructions with screen samples.](#)

1. Login at [system.gotsport.com](https://system.gotsport.com). Click on Dashboard.
2. Next to **Heads Up** click **Details**.
3. Click **Launch Heads Up**
4. Click **Start Training**.
5. You will complete a course and perhaps have a quiz at the end (it's glitchy).
