

CLUB SPONSORSHIP PACKAGES

Space Coast United Soccer Club is a 501(c)(3) charitable youth sports organization founded in 1984. Space Coast United provides an opportunity for youth in our community ages 3-19 to learn the fundamentals of the increasingly popular game of soccer.

At Space Coast United, children are learning new skills, getting fresh air, improving their fitness, making friends, and enjoying countless benefits from organized sports such as building confidence, contributing to stronger academics, teaching respect, encouraging family involvement, and much more.

As the largest elite youth soccer club on Florida's Space Coast, our soccer club **cannot operate without the community support of our sponsors**. Each of our sponsoring companies has partnered with us to offer financial support, products, and/or services that are integral to our organization's goal of offering unprecedented services to youth soccer players in Florida.

Your support allows us to improve our soccer programs and facilities, provide soccer scholarships and other forms of financial aid for those in need that offset the cost of participation on our teams.
